Script Characters R2-D2
 C-3P0

Scene 1

3P0 Did you hear that? They've shut down the main reactor. Madness, this is madness. This time we'll be destroyed for sure.

R2-D2 Beep, Beep, Honk, Gurgle, Clunk, Beep

3P0 Yes, I suppose they did have to shut the drive down, but what are we going to do now? We can't enter atmosphere with our main stablizer fin destroyed. I can't believe it we're simply going to surrender.

Narrator:

Princess Leia puts a message into R2.

3P0 Where have you been? Hiding I suppose. They'll be coming back this way. What are we going to do now? They won't trust a word of rebel-owned machinery that we don't know anything of value. We'll be sent to the spice mines of Kessel or taken apart for spare components for other less deserving robots. (R2 walks away) Wait, where are you going? Haven't you been listening to me? (R2 walks to a door) Hey! you're not permitted in there. It's restricted to human's only.

R2 BeeP, Honk, Beep, Gurgle, Beep, Boop, Beep

3P0 Mission? What mission? What are you talking about? You sound like you haven't got a logic terminal in your brain. No, No more adventures, I'll take my chances with the Imperials and I'm not getting in there (large blast and 3P0 gets in pod) I'm going to regret this.

Darth: To you part of the rebel alliance. You're also a traitor. Take her away. (Darth walks away)

Darth: No, my first duty is to locate that hidden base of their's. Therefore, she is my only key to discovering it's location. I intend to make full use of her.

I Officer: The data tapes you asked for are not aboard this ship. A malfunctioning life boat pod was ejected during fighting but it was confirmed at the time that no life forms were on board.

Luke: You know about the rebellion against the empire?

3PO: In a way.

(Fastly Luke says)

Luke: "Tell me where have you been? In how many encounters? How is the rebellion going? Does the Empire take it seriously? Have you seen ny ships destroyed?"

Kenobi: Myself, the boy, two droids, and no questions asked. (he said firmly)

Han: Is it local trouble?

Chewie: (he growls)

3PO: He executed a fair move. Getting mad about it won't help you.

Han: Let him have it, your friend's way ahead anyhow. It's not wise to upset a Wookiee.

3PO: I can sympathize with that opinion sir, but, there is principal at stake.

Han: I hope you'll both remember that when Chewbacca is pulling the arms off you and your little friend.

3PO: Besides, that however, being greedy or taking advantage of someone in a weakened position is a clear sign of poor sportsmanship. (whispering to R2) R2, I suggest a new stratagy, let the thing win.

Chewie: (growls in a nice tone)

(meanwhile Luke has a lightsaber and is swinging at a ball)

Kenobi: It is an energy field and something else. (Luke gets hit)

Han: Chuckles a little)

Luke: You don't believe in the force do you?

Han: I've been from one ~~end~~ of this galaxy to the other. I've seen too many things not to believe in this force.

Kenobi: I suggest you try it again Luke (he puts a helmet on Luke's head)

Luke: But with the vlash shield down I can't see a thing. How can I fight.

Scene 11
